WEEKLY “FLIGHT NIGHT” FEATURES WINES FROM THE ACROSS FINGER LAKES.

FINGER LAKES, NEW YORK (OCTOBER 30, 2014) – Launching on Saturday, November 1st, The Cellar at Damiani Wine Cellars presents “Flight Night,” a weekly event featuring a dynamic selection of Finger Lakes wines. The extensive collection of wines includes past celebrated vintages from various producers, limited production wines, dessert and specialty wines, as well as an array of varietal selections. Committed to education, exploration and enjoyment, “Flight Night” aims to serve both local patrons and tourists invested in understanding the region’s wine industry through a comfortable sensory experience. Experience the bounty of the Finger Lakes in just one stop.

Wine flights contain 3-5 samples of wine served at once for the purpose of sampling and comparison, while duos feature two half-glasses of wine (3 ounces each) served together. Choose from an assortment of themes including: vintage or varietal specific flights, single vineyard flights, comparative oak treatments (i.e. French versus American), wine ageability, and the art of varietal blending.

Priced at \$8 per flight and \$7 per duo, this educational platform also boasts an economical benefit to wine tasting in the Finger Lakes. The Cellar offers some of the best wines from Seneca Lake, Cayuga Lake and Keuka Lake in one location with the opportunity to sample a variety of wines at a fraction of the cost of purchasing multiple bottles. For those customers interested in purchasing wine by the glass or bottle, The Cellar possesses an ample rotating wine list available during all hours of operation.

Located in the lower level of the tasting room at Damiani Wine Cellars, The Cellar is open Thursday, Friday and Saturdays from 1-10pm, and Sundays from 1-5pm. “Flight Night” takes places every Saturday from 5-10pm.
