VINO ROSSO

TASTING NOTES & FOOD PAIRING

Dark and intense, our classic table wine is like a stormy gem in the goblet. VINO Rosso has been our most accessible red table wine over the years; meant to be your Tuesday night wine, pairing with anything from pizza to burgers to BBQ. A slight wood smoke aroma mingles with oak and red currant and the subtle muskiness that Marechal Foch is known for. This is the driest we've made this wine: 0% r.s.! We're certain it will continue to be a hit.

VINO Rosso is Damiani's homage to Italy's famed village wines. Traditionally village wines are simple, hearty, and meant for everyday. In Italian culture wine, just like food, is essential to everyday life. Here at Damiani Wine Cellars, we also believe that good hearty wine, made from grapes sourced from our surrounding villages, should be a part of our everyday life. Good wine, good friends, good times.

At DWC wine is love.
