# PINOT GRIGIO

When I think DWC Pinot Grigio, I think refreshing and flavorful. I think summertime and quenching my thirst with a crisp, fruit-filled delight.

Our 2021 vintage does not leave us wanting. It opens with bright minerality on the nose – limestone and slate cushioned with elegant, understated tropical fruit that transports us directly to the beach. Take a sip and savor it; those tropical fruit notes move to the front of the queue: kiwi, lychee and starfruit make guest appearances on your tongue. Keen acidity and that lovely minerality from first impression stay on this ride and satiate the palate all the way.

Serve at 42° - 51°f

Drink Window: Now—2023—2024
