DRY RIESLING

Davis Vineyard

Single Vineyard Series

Celebrating the unique microclimate and dramatic landscape that is New York's Finger Lakes, we produce wines of sensuous complexity, showing distinct character and expression of the land.

Our Davis Vineyard is structured and harmonious, yet strong and elegant.

Hand-planted in 1998 close to the eastern shore of Seneca Lake in what is known as the banana belt, this 5 1/2 acre site is perfectly suited to produce lively, old-world style wines.
