DRINK WINDOW: now—2025—2029

Our latest gloriously gem-toned Lemberger from Sunrise Hill Vineyard is absolutely luscious in every aspect. Scents of ripe black currants, baked blueberries and brambleberries and the dark and sensuous aroma of violets are cradled by a gentle hint of pipe tobacco. With the first sip a flood of the flavors of harvest and spice come to the fore. Juicy red and black berries suffuse your senses all braced by the most tantalizing fall aromas of oak, cedar, tobacco, and white and black pepper. Perfect for the holidays to come! Embrace our 2021 Sunrise Hill Lemberger and it will embrace you back.
