VINO ROSSO

Vino Rosso is Damiani's homage to Italy's famed village wines. Traditionally village wines are simple, hearty, and meant for everyday enjoyment. In Italian culture wine, just like food, is essential to everyday life. Here at Damiani Wine Cellars, we also believe that good hearty wine, made from grapes sourced from our surrounding villages, should be a part of our everyday life. Good wine, good friends, good times.

At DWC wine is love.
